# ARLINGTON HEIGHTS VILLAGE TRUSTEES

Tuesday, April 18th

**Experienced Candidates** 

CHARLES BENNETT KENNETH DOUGAN

Incumbent Village Trustee, served on Incumbent member of District 25 Board Former member and President of Roards.

Arthappen Height Plas Commission and of Education and member of Arthappen G. Education for Districts 59 and 214, 200mg Roard of Appends prior to election to current four-year term.

Appendix Plas Commission, with deal with 15 years of service store 1961.

### CAUCUS SELECTED

Wish, Beane, and Dogan were selected as candidates for Arlagoon Heights Village, Trustees by a Village-vide cancer system. Readens of the Village extended interested consistency, with a public needing (amended by 30d readens).

The Village Cleaner Furty was then cognisated by the direct candidates. Rolly and placeting for the Tury in the responsibility of the chirer candidates and the campaign chairman. Cycle Ferry. No one source in the cancer candidates exceeded the companion of the Companion

### POSITIVE POSITIONS ON VILLAGE ISSUES

in general, we helver the existing Village Conventions, both detects, appointed, and professional officials, has made an excellent executed officiary and program. We recogn to the case and causion any treates of jubble funds and public affairs must undertain. We believe existing problems must be appropriate account. We believe certain village programs as no be accelerated to prevent excellent excellent.

Toll Road Access -- we strongly support efforts to gain entrance and exit facilities to and from the Northwest Toll Road at Arlington Heights road.

Parking Improvement: — we support existing programs of additional land acquisition and planned parking improvements. In the light of new residential developments, we believe existing absorper and commuter parking programs will need to be accelerated.

Traffic – we believe some immediate relief of periodic traffic congustos is possible di rough an increase in officer-directed citorio il arrisgite intersection, beste seago encigi-directed citorio il arrisgite themsection, central oli ratas formati di religio il religio il ratas parking which Mocks all moli periodi, central oli ratas parking which Mocks all moli periodici consideration of one-way traffic flow partira in indecestral business district, and additional-olf-stremp arking facilities. We support a traffic study and believe its conclusions, along with the aberrant theoroughfaze studies, should be translated into decitive actions.

Crairal Bustness District Revisalçation — we recognise downtows refer cioquents is a difficult problem with many jegula and financial ramifications. We also recognise the vertex part of the vertex part o

Industry — we pledge our active support to efforts to de-velop indu strially-sound sites within the Village and within the cautions built into existing zoning ordinances.

Communications — while we recognize local media provides in-depth coverage of Village affairs, we believe additional communications activities should be explored to promote better awareness and understanding of contemplated

Here's why: Our troika is best!

Most people look for these things from their savings: safety, liquidity, income.

A lot of people think we do the best job of harnessing this three-horse team or troike for savings purposes.

That's why they have entrusted us with almost

38,000,000 of their hard-earned dollars. Why not ride along with this No. 1 combination!
